

# JJF Grant Making Objectives

## **1. Increase the number and quality of Jewish educators**

*Greater numbers of more qualified, professionally enriched Jewish educators prepared to teach in a range of classroom and experiential settings and choosing to spend more years working in the field*

## **2. Strengthen peer to peer education**

*Greater numbers of young Jews engaging their peers in meaningful Jewish learning experiences*

## **3. Increase ongoing and immersive Jewish learning**

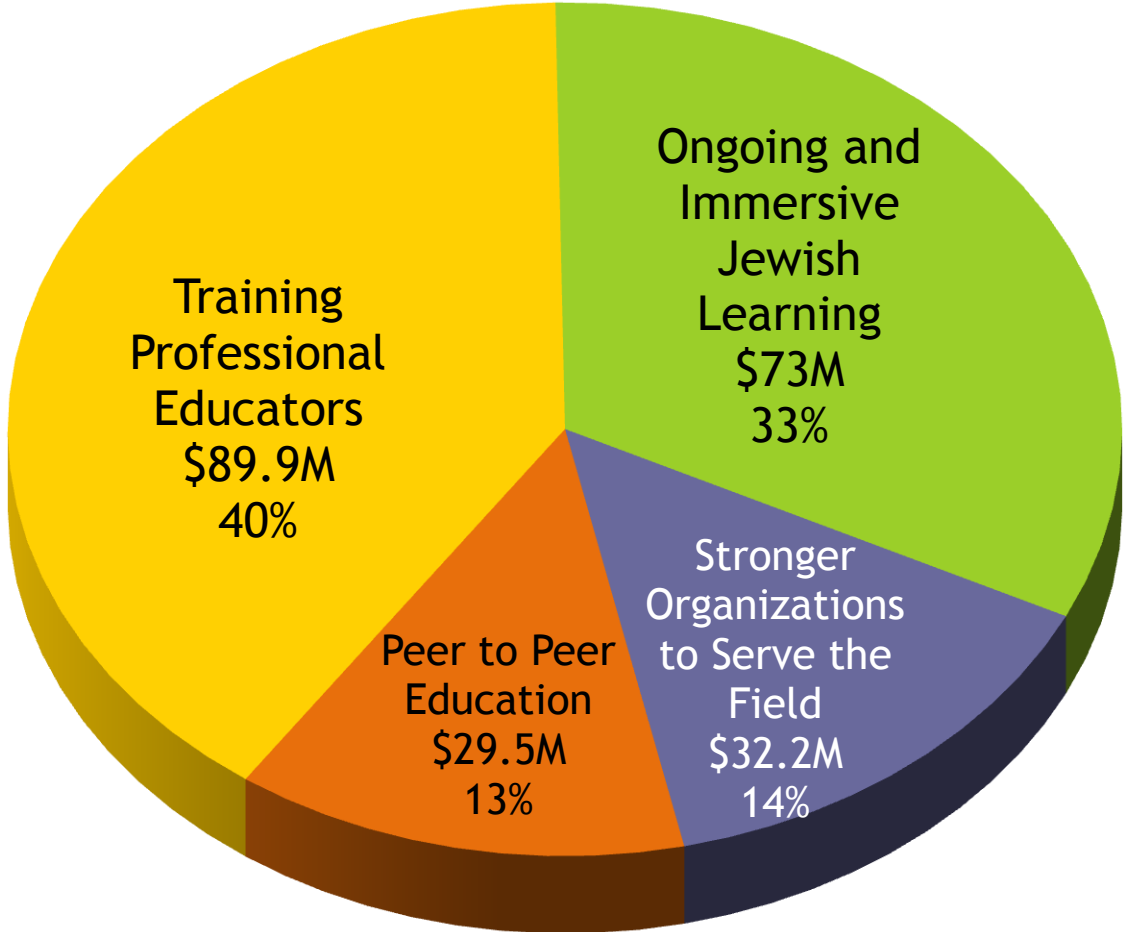

*Greater numbers of Jewish youth and young adults participating in high quality ongoing and immersive Jewish learning experiences*

## **4. Build stronger organizations to serve the field**

*Stronger organizations better prepared to serve the field of Jewish education*

***Objective categories approved by JJF Directors, July 2009***
